BECOMING A MEMBER

Anyone can be a member of the organisation as a sponsor, donor or simple member. An active member of our organisation is any person having paid the annual subscription fixed at 15 euros for the year. The subscription is renewable every year.

Collective sponsorship

A collective sponsorship allows you to participate in the life of the children's home that our organisation has created after the terrible earthquakes of spring 2015. The children living there since the end of 2015 come from families bruised by these earthquakes: deceased parents, destroyed houses, abuse, etc ...

By choosing this, you will contribute to an improvement of their living conditions, and at the same time material, social and active needs (extracurricular activities: sport, music, martial art, tanka painting workshop, etc). Your help offers them an unexpected opportunity to get their lives back on track and even find happiness. Thank you on their behalf.
